

Dagny 100 year Anniversary

Only few people will reach the age of 100 years. Dagny is one of them. In June Leif's mother turned 100 and was duly celebrated. At such an Anniversary the King of Sweden and his Queen will send a telegram to celebrate;

The King's local delegate, in Swedish called Landshövding sent flowers with a note

The local paper – Södermanlands Nyheter wrote a nice article – link pending.

And a number of her friends turned up to celebrate her

Asta and Dagny,
Asta her "little sister"
8 years to 100!

Dagny wants to thank you all for making her 100 year Anniversary such a success and we look forward to the next Anniversary.
